Bottling Date: August 1, 2007
Barrel Aging: 21 months, 100% American Oak
Cases Produced: 71
Alcohol: 16.4%

This is not your average Amador Zinfandel. Our small Block 2 vineyard comes from cuttings from one of Sonoma's legendary vineyards. The unique flavors from this extremely rocky vineyard are elegant and complex, with a sexy mouthfeel.

The rich, dark ruby-garnet color is indicative of the concentration of fruits in this wine. But what really hits are the initial aromas that seem to jump out of the glass. Aromas of dark berries, molasses, currants and spice. The wine is robust and powerful, yet has exquisite balance, with flavors of black cherry, dark chocolate, vanilla, spice and sweet tobacco. It has a long, warm finish. The characteristics of our rocky hillside location in combination with the clonal heritage of this unique vineyard make for an unforgettable experience for Zin fans. This wine will provide a special drinking experience for years to come.
