Reminiscent of Cabs before the onslaught of over ripe and extracted cabernets, our 2007 blend of Cabernet Sauvignon and Cabernet Franc is medium bodied with light tannins from low temperature fermentation and no extended maceration.

Medium ruby in color, with aromas hints of violet, anise and sweet rose pedal. Flavors center on sweet bright cherry with cassis and tart blackberry accents and balanced acidity make this a unique Cabernet suitable for pairing with rich sauces and fatty meats.

Wood aromas of light cedar rather than heavy oak, and no hint of green herbaceous flavors, make this a wine for all levels of Cabernet enthusiasts.
